Schoenvisie, the platform for the professional in the Dutch shoe industry

Schoenvisie is the leading business to business platform for professionals in the Dutch fashion industry. For nearly 60 years Schoenvisie informs and inspires its readers on all market developments, trends, buying behaviour and brand preferences. Our readers vary from independent retailers, manufacturers and resellers to employees and managing boards of retail stores and chains.

The portfolio includes a subscribers based magazine, seminars, webinars, an extensive reach on social media and interactive online engagement through the website schoenvisie.nl. This market leading website engage subscribers by publishing the latest breaking news, regular news alerts, dedicated sections to news, updates and business information. Schoenvisie has an extensive features calendar, which allows you to target specific segments for the retail shoe industry.

Schoenvisie offers you innovative advertising and sponsorship business solutions tailored to your specific needs. Our multiplatform and industry specific marketing propositions are designed to meet your objectives across a full spectrum of digital, print and event marketing.

87%

At 87%, Schoenvisie is the most widely read trade journal. Also, at a reading intensity of 'mostly or completely' of 88%, it is the best of all trade journals in the industry.
